## SATURDAY 27th MAY 2006

KABUTAR (LONDON)

### Tales from India told with Toys

Friary Common Room 10.30am  
(Age 3-103) Duration: 45 mins

The festival opens with stories from India! Hear how a simple water carrier swapped his humble home for a palace, how a miserly man got more than he bargained for in the shape of a demon and a Brahmin who entertained far too much for his own good!

### INDIGO MOON (BEVERLEY) The Worm That Squirmed

Friary Common Room 1.30pm  
(Age 5+/families) Duration: 30 mins

A rare opportunity to catch the Worm in public on home territory! In this contemporary show for children or adults alike, Indonesian rod puppets tell of a squirming worm who causes chaos wherever he goes. Using little spoken language, this show crosses cultural borders in crazy pursuit of the worm. Where is the worm now? Watch out everybody! [www.indigomoontheatre.com](http://www.indigomoontheatre.com)

### INDEFINITE ARTICLES (CAMBRIDGE) The Magic Lamp

Friary Great Hall 11.45am & 2.45pm  
(Age 4+) Duration: 50 mins

Using an ancient Middle Eastern version of the text of Aladdin, Indefinite Articles will take your imagination on a walk to Baghdad and back.

The company leaves an oily path of magical transformations, shadows, puppetry and authentic music to create something totally original, fairly naughty, and extremely slippery.

THE GROOVY UV ENTERTAINMENT CO.  
(WOLVERHAMPTON)

### The Groovy UV Show 2

Memorial Hall 12.00pm & 4.00pm  
(Age 4+) Duration: 45 mins

Back again after last year's popular appearances, this company, (previously known as Corlett's Characters) brings us toys that come to life, an underwater fantasy, the exploits of a blundering explorer and much more... Come and see things in a different light in this ultra-violet show for the whole family!

A bewitching tale of mystery and enchantment with Garlic's blend of physical theatre, humour and technical wizardry. Puppets, mime and a touch of real magic will leave adults and children enthralled... An old broom stands in the corner, a book is on the table and a young boy alone in the castle feels a tingling in his fingertips... Can he work a spell himself? And will he be able to undo the spell before the sorcerer returns? [www.garlictheatre.org.uk](http://www.garlictheatre.org.uk)

### CLYDEBUILT (SCOTLAND) Jack & the Beanstalk + Billy Goats Gruff

Set your imagination free and enjoy storytelling with beautifully operated cloth puppets. [www.clydebuilt.co.uk](http://www.clydebuilt.co.uk)

### INDEFINITE ARTICLES (CAMBRIDGE) Pinocchio

Memorial Hall 12.00pm  
(Age 4+) Duration: c.60 mins

The celebrated tale of the puppet who wants to be a real boy, and the puppet-maker who wants to be a real father. Creating illusions using nothing more than the tools found in a carpenter's workshop, live music and a puppet carved on stage, Indefinite Articles takes you on a funny, breathtaking and even slightly scary journey that you will never forget. This show was chosen as one of the six best children's shows by the Guardian in 1996 and more recently won the Pressgang award at Bath Festival.

### LEMPEN PUPPET THEATRE (SKIPTON) The Am-A-zing Thing
