WELCOME TO THE 6th BEVERLEY PUPPET FESTIVAL

On behalf of Beverley Arts Trust, I am proud to present the 6th biennial Beverley Puppet Festival. Having grown from 5 companies in 2005 to 25 in 2014, it is now (arguably) the largest festival of British puppetry in the world in terms of its focus on home-grown talent and all in one place – Beverley!

Join us for a fun-packed weekend, which promises to sow the seeds of imagination and creativity for all ages and backgrounds.

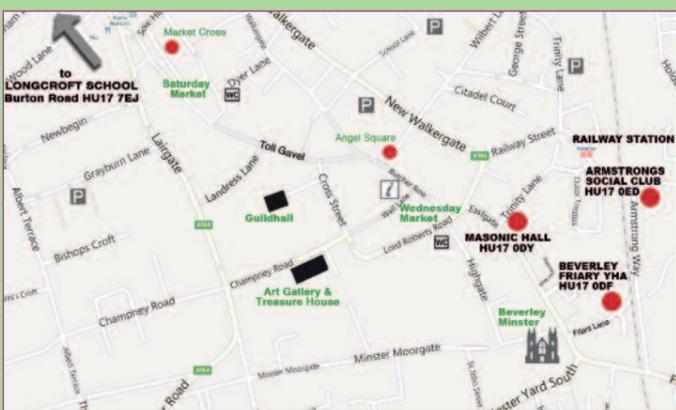

This time we welcome two guest companies from abroad as part of our line-up of highly acclaimed puppeteers, which we hope will inspire newcomers to this powerful, diverse and multi-disciplinary art form.

Due to popular demand, we also have SIX shows for adults / age 12+, including new daytime Adult Shorts in our smallest venue within the Friary.

In addition to three other venues and town centre streets, the Festival Hub at Beverley Friary will be the centre of activity and feature stalls, free outdoor acts and film screenings, specialist puppetry books and displays, a bar and refreshments, facepainting, workshops, a puppet caravan, music, an information point and central box office.

Thank you to our funders, supporters, volunteers and everyone who joins in our general shenanigans. We hope you enjoy our monsters, marionettes and mayhem!

Anna Ingleby
Puppet Festival Director for Beverley Arts Trust
