We are back! Are you excited?

Beverley Puppet Festival returns 12th-14th July 2024 with an action-packed weekend for all the family including adults, here in Beverley, East Yorkshire.

38 puppet companies will entertain you over three nights and two days, including from Canada, Greece and Italy.

We have pre-bookable ticketed shows across 5 venues for children and adults to enjoy. Free performances take place at our Festival Hub @ The Friary, Flemingate Centre, Monks Walk Inn and roaming the picturesque streets of Beverley.

Adults can create their own puppet at a pre-festival two day workshop with artist, Judith Hope. Children can drop in to one of the free workshops with Chloe Rodham at The Friary Gardens over the Festival weekend.

Many indoor venues have limited capacity, so please book early to avoid disappointment and give generously in the street or online, if you can. We are a not-for-profit company and depend on donations to break even.

A BIG thank you to Arts Council England and all our other funders, partners, artists, volunteers, hosts, stallholders, and to everyone who makes the festival possible – including YOU! Tell all your friends and family, come along and make this year extra special.
